

Math 414: Linear Algebra II, Fall 2015

Homework 10

Due: December 4, 2015 by 5:00 PM

Matthew Hirn

November 27, 2015

All problems are taken from *Linear Algebra Done Right*, 3rd Edition.

- **Exercises 7.C:** 11, 12
- **Exercises 7.D:** 3, 6, 11, 17

Instructions: You are welcome to *discuss* the homework problems with your peers in the course, but you are *never* allowed to copy each other's solutions. You must write your own solution yourself. Hand in a *clean* and *carefully written* version of each of your solutions.
